

Welcome to SanSar!!

OWNERS (SHOP KEEPERS)

This Privacy Policy is written to help you better understand how we collect, use and store your information. Since technology and privacy laws are always changing, we may occasionally update this policy. If you continue to use SanSar after these changes are posted, you agree to the revised policy.

This policy is a legally binding agreement between you as the user of the Services and SanSar. If we add any new features or tools to our Services, they will also be subject to this policy.

We will keep your Personal Information accurate, complete and up-to-date with the information that you provide to us.

If you request access to your Personal Information, we will inform you of the existence, use and disclosure of your Personal Information as allowed by law, and provide you access to that information.

When we use the term “Personal Information” in this policy, it means any information related to an identifiable individual, but does not include the name, title, business address, or telephone number of an employee of an organization.

Information from merchants

What information do we collect from merchants and why?

- We collect your name, company name, address, email address, phone number(s)
 - We need this information to provide you with our Services, for example, to contact you and invoice you.
 - We need this information to show to your customer to and improve our Services
- This information will be displayed in the app only and will not be used by us to provide any information to any Third Party.
- SanSar will not be responsible if your Contact details are used by your Customers for any other purposes. For Security purposes you can always keep your store details password protected.

When do we collect this information?

- We collect Personal Information when you sign up for our Services, when you access our Services and when you fill the Store Details.
-
