

Once a particular Subscription is made by any Owner he/she cannot claim for a Refund.

Similarly once a payment is made for purchasing more Products Owner cannot claim for a refund.

Cancellation/Return Policy would only be applicable under the following conditions:-

- Owner has by mistake made multiple payments for the same service.
- Owner has chosen a wrong subscription type or a Wrong option for extending products.
- Owner is completely dissatisfied with the performance of the app.

SanSar store will validate all the 3 points mentioned above and necessary refund if applicable would be made into the Owner's Bank account within 7 Working days post validation.

Thank you
Team SanSar Store.
